Docket No.: 00100.98.1319

Confirmation No.: 6443

Title: **METHOD AND APPARATUS FOR INDEPENDENT VIDEO AND
GRAPHICS SCALING IN A VIDEO GRAPHICS SYSTEM**

INTERVIEW SUMMARY

Dear Sir:

Applicants' attorney, Christopher J. Reckamp, Reg. No. 34,414, wishes to thank the Examiner for the courtesies extended during the telephone conferences of January 16 and 18, 2008. On January 16, 2008, Examiner Harrison contacted Applicants' attorney regarding claims 12-13 and 24-25, in view of U.S. Patent No. 6,064,437 to Phan et al. and U.S. Patent No. 5,574,572 to Malinowski et al. On the same day, Examiner Harrison discussed the matter in greater detail with William J. Voller III, an associate attorney working with Christopher J. Reckamp. The above-referenced patents were not previously cited by the U.S. Patent Office or by the Board of Patent Appeals and Interferences during prosecution of the instant application.

On January 18, 2008, Applicants' attorney and Examiner Harrison agreed that claims 12-13 and 24-25 would be cancelled without prejudice in a supplemental notice of allowance issued by Examiner Harrison and that the supplemental notice of allowance would expressly indicate that claims 12-13 and 24-25 were canceled without prejudice and that Applicants reserved the right to pursue the subject matter present therein in a continuing application. During the same conference, Applicants' attorney and Examiner Harrison further agreed that the supplemental notice of allowance would accompany a Form 892 paper listing the above-listed references as having been considered by the Examiner in the instant application.

The Examiner is invited to contact the below listed attorney if this summary is incorrect in any way.

Respectfully submitted,

Dated: January 31, 2008

By: /Christopher J. Reckamp/
